

Policy and Advocacy working group

Goal: Developing and implementing an advocacy strategy that effectively communicates the burning issues and recommended solutions for the cell and gene industry.

- Jane Adams, Novartis (Co-Chair)
- Janet Tyler, Roche Products
- Rebecca Stratford, AstraZeneca
- James McAdam, Bristol-Myers Squibb
- Leah Goodman, BioIntelect
- Sharon Charles, ProPharma
- Matt Banfield, Miltenyi Biotec
- Gretchen Poortinga, Peter MacCallum Cancer Centre
- Geoffrey Chin, PTC Therapeutics
- Megan Munsie, Murdoch Children's Research Institute (MCRI)
- Oona Reardon, Pulse Economics Consulting
- Warwick Shaw, Johnson & Johnson
- Sarah Phillips, Invetech
- Rebecca McQualter, Chimeric Therapeutics
- Mathew Manning, Australian Red Cross Lifeblood
- Ian Alexander, VVMF Pty Ltd
- Avani Yeola, Sydney Children's Hospital Network, NSW Health (Observer)

Manufacturing working group

Goal: Co-design a collaborative, coordinated cell and gene manufacturing ecosystem that can service the nation and our region.

- Bev Menner, Cell Therapies (Co-Chair)
- Elizabeth Wilson, IQVIA
- Jack Lambshead, Biointelect
- David Kneen, Celleo
- Simon Cool, Interim CEO, SMART CRC, University of Queensland
- Paula Stoddart, Miltenyi Biotec
- Misty Jenkins, Walter & Eliza Hall Institute for Medical Research
- Jagan Billakanti, Cytiva
- Ngaire Elwood, MCRI
- Shanny Dyer, RheumaGen Australia
- Owen Tatford, Centre for BioPharmaceutical Excellence (CBE)
- Maher Gandhi, Translational Research Institute
- Silvio Tiziani, CCRM Australia
- Tamanna Monem, QIMR Berghofer
- Kah Leong Lee, Zuellig Pharma
- Jelena Rnjak-Kovacina, UNSW
- Trent Munro, University of Queensland (Observer)

Workforce Development working group

Goal: Identify short- to mid-term workforce needs and co-design an education and training framework in consultation with the industry and vocational and tertiary education providers.

- Orin Chisolm, University of Sydney (Co-Chair)
- Octavio Mejia, Telix Pharmaceuticals Limited
- Tom Parsons, Proclinical Group
- Karen McLaughlan, Manufacturing Industry Skills Alliance
- Umesh Nair, Merck
- Mariyam Murtaza, Griffith University
- Dominic Fernandez, Epworth Centre for Immunotherapy and Snowdome Laboratories
- Alice Pebay, University of Melbourne
- Mark Allenby, University of Queensland
- Brendon Boot, S2N.Bio
- Rachel Jensen, CBE
- Diane Finley, Cytiva
- Darron Laing, QIMR Berghofer
- Chih Wei Teng, CCRM Australia
- Andrew Care, UTS Biologics Innovation Facility
- Rachel Cameron, Consultant
- Ian Woodcock, Royal Children's Hospital
- Rebecca Griffiths, Australian Red Cross Lifeblood (Observer)

Collaboration and Knowledge-Sharing working group

Goal: Develop and implement an engagement framework that provides meaningful opportunities to connect, exchange ideas and share knowledge and expertise to foster industry-led collaborations.

- Morgan Evans, Agilex (Co-Chair)
- Amanda Hargreaves, Roche Products
- Umesh Nair, Merck
- Helen Dodds, Sanofi Australia
- Camille Shanahan, Jumar Biocubator
- Kelvin Yip, Arovella Therapeutics
- Shane Winzar, Australian Red Cross Lifeblood
- Fabienne Mackay, QIMR Berghofer
- Gabrielle O'Sullivan, Royal Prince Alfred Hospital
- Riya Palchadhuri, University of Melbourne
- Marina Carpinelli, 360biolabs
- Margaret Jenkins, Global Pharma Solutions
- Damian Clarke-Bruce, HaemaLogiX
- Cecile Francis, UniQuest
- Michelle Lorentzos, Sydney Children's Network, NSW Health
- Emma-Louise Hunsley, University of Sydney
- Robert Pearson, MCRI
- John Robson, BioOra Ltd (New Zealand)
- Bijay Dhungel (Observer)
